A man with long hair and a beard, wearing a brown flat cap and a dark green jacket over a light blue shirt, stands in a field of tall grass. In the background, a dark-colored vehicle is parked. The scene is set outdoors under a clear sky.

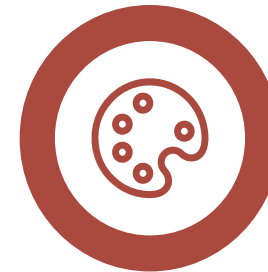

URBAN NATURE

REDPOINT is at home outdoors, wherever life is free to write its own stories. For us, freedom means always being true to yourself. Preferably off the beaten track, surrounded by breathtaking scenery.

With „16 Shades“ we offer exactly the right product to equip the sales areas even more competently and ensure more appeal through the wide range of colors.

All items are - in keeping with the redpoint philosophy - perfectly finished and dyed in a complex, sustainable garment-dyed process in our own factory using state-of-the-art machine technology.

As an unbeatable offer: There are no minimum quantities. Retailers can thus put together the range that is exactly right for them and their customers without any risk.

REDPOINT is at home outdoors, wherever life is free to write its own stories. For us, freedom means always being true to oneself. Preferably off the beaten track, surrounded by breathtaking scenery. We have been setting our own fashion standards since 1979. With jackets that you can trust outdoors: Robust. Casual. Distinctive. With trousers and shorts that prove, above all, freedom is about finding the right fit. It is in our nature to be demanding. This is why we produce our collections ourselves. It is the only way we can ensure that they wholeheartedly satisfy when it matters.
